

News at Achievers!

NOVEMBER 25, 2020

HAPPY THANKSGIVING

On behalf of the faculty and staff at Achievers Early College Prep, we wish you a wonderful Thanksgiving Holiday. We all can take a moment to show our gratitude for each other, our families, friends, and most of all our scholars! It takes all of us working together, caring, supporting, and demonstrating kindness to each other to make it through these times!

Mrs. Nava Coppin
Principal

FIRST TRIMESTER REPORT CARDS

First trimester report cards for students were made available Monday, November 23rd. If you have not done so, please access your scholar's report card in the Realtime Portal, located on our [website](#). We would also like to encourage you to please take time to review your scholar's grades currently and on a weekly basis. Reviewing the grades will assist you in staying informed of their progress throughout the year.

PARENT CONFERENCES

Parent Conferences were held on November 23rd and November 24th, but by invitation only. If you were scheduled for a conference and did not attend, it is important that you reschedule this conference, as we need to update you on your scholar's progress. We would like to discuss how we can work together to ensure their success at Achievers.

If you did not receive an invite for a conference but you would like to meet with your scholar's teachers, please reach out to the following teachers:

6th Grade- Mr. McNulty at pmcnulty@achieversecp.org

7th Grade- Chris Carragher at ccarragher@achieversecp.org

8th Grade- Ericka Betancourt at ebetancourt@achieversecp.org
